District Directors,

We will be ordering 120 bathrooms (porta-potties) to place at locations across the City. Twenty of these units will be ADA accessible. This comes out to 8 bathrooms per Council District.

If you want to place bathrooms at encampments in your district, please send me your 8 locations by 3pm today. Also, please indicate if you want an ADA unit at any of your locations. If I don't hear from you, I will select locations from the hand washing list.

Let me know if you have any questions.

Thanks,

Brian
